The greatest turning point in my life took place in 1975 when I surrendered my heart and life to the Lord Jesus Christ. What a transforming journey it has been for me these past forty-eight years.

In 1972 I graduated with a Bachelor's degree in Medical Technology and for eight years I worked at the Chemistry Laboratory of St Luke's Roosevelt Hospital. Then in 1981, I began a brand-new journey as Director of Christian Education at the Brooklyn Tabernacle Church. It is there I served in full time ministry for almost Twenty-Five years. My primary purpose was to serve the church families. Among my responsibilities I taught the Bible to children, conducted community outreaches and developed a teacher training program for the volunteer workers.

In 2006, I transitioned to a new role as Director of Family Ministries. I conducted parenting classes, advocated for families in need either in the court system, schools or in the Department of Social Services. I also served families by providing biblical counseling with the goal of helping families be restored to healthy living.

In 2018 I made the decision to end my service at Brooklyn Tabernacle. My main goal during this new season was to be more available to my family and to become a member of a new congregation. The Lord opened the door to serve as Chaplain with the Chaplain Association of New York, Inc. Praying for others and sharing the good news of the Gospel of Jesus Christ is an integral part of my ministry as a chaplain.

Teaching and exhorting the Word of the God embraces everything I do in life. I have learned to depend on the Lord, and trust him to meet every need I encounter. 1 Peter 4:10 says, "As each has received a gift, use it to serve one another, as good stewards of God's grace in its various forms." I stand with you in the Lord's service.
